KORKYRA BAROQUE FESTIVAL

**KORČULANSKI BAROKNI FESTIVAL
KORKYRA BAROQUE FESTIVAL**

1.9. – 17.9.2022.

**KORČULA, PELJEŠAC
HRVATSKA / CROATIA**

Korčulanski barokni festival visoko je profilirana kulturna manifestacija utemeljena 2012. godine u svrhu promocije lokalne i međunarodne glazbene i kulturne baštine. Vrhunske koncertne večeri u okružju impresivnih spomenika kulture otoka Korčule stvorili su jedinstvenu sinergiju i baroknu čaroliju zahvaljujući kojoj Korčulanski barokni festival slovi kao nezaobilazan kulturni događaj svjetske glazbene scene.

Neupitan kulturno-turistički uspjeh Korčulanski barokni festival temelji na visokoj umjetničkoj glazbenoj ponudi koja već godinama privlači turiste iz cijeloga svijeta i obogaćuje turističku kulturnu ponudu otoka Korčule i poluotoka Pelješca. Koncertima se tako promoviraju korčulanske crkve, atriji, trgovci i skrivena dvorišta koji uz prirodnu ljepotu Korčule čine idealno okruženje za vrhunsko muziciranje.

Ovogodišnji Festival donosi deset tematski različitih programa s izvođačima iz Engleske, Španjolske, Finske, Italije, Belgije, Škotske i Hrvatske. Osim u Gradu Korčuli, festivalski programi mogu se čuti i na otoku Vrniku, u Veloj Luci, Račišću, Pupnatu i Vignju. Od Bacha do flamenca, od instrumentalnih virtuozna i renomiranih vokalnih solista do škotskog zbora za završetak. Na početku Festivala, 1. rujna, predstaviti ćemo novo hrvatsko dvomano čembalo iz radionice Pavlinić & Depolo. Narudžba je to našega mecena i pokrovitelja Festivala - Michaela Unswortha.

The Korkyra Baroque Festival is a highly profiled cultural event founded in 2012 with an aim of promoting local and international musical and cultural heritage. Premium concert evenings surrounded by impressive cultural monuments of the Korčula island have created a unique synergy and baroque magic that make the Korkyra Baroque Festival an unavoidable cultural event on the world's music scene.

The Festival has built a reputation with both audiences and performers as an outstanding cultural event that combines magical music with beautiful surroundings. The churches, atriums, squares, and hidden courtyards, combined with the natural beauty of Korčula and the Pelješac Peninsula, provide perfect settings for beautiful music.

This year's Festival presents ten thematically different programs, featuring performers from England, Spain, Finland, Italy, Belgium, Scotland and Croatia. Apart from the town of Korčula, festival programs can also be heard on the island of Vrnik, in Vela Luka, Račišće, Pupnat and in Viganj. From Bach to flamenco, from instrumental virtuosos and renowned vocal soloists to a Scottish choir at the end. On the 1st of September we will present a new Croatian two-manual harpsichord from the Pavlinić & Depolo workshop which was commissioned by our patron and founder of the Festival - Michael Unsworth.
